

Grow Our Voices Program

At South Hills Chorale, we believe music should be accessible to everyone. The **Grow Our Voices Program** helps remove financial barriers so more singers can share their talents, build community, and experience the joy of choral music.

This program supports new members by helping with two common participation expenses: performance attire and annual fundraising expectations.

What the Program Provides

First Year Support

- Performance costume provided at no cost
- Fundraising requirement waived

Second Year Support

- Fundraising requirement continues to be waived

Third Year Support

- Fundraising requirement is reduced and capped at the amount raised during the member's second year

Who Should Apply

The Grow Our Voices Program is open to newly auditioned singers who would benefit from financial assistance. Applications are simple, confidential, and based on trust — no financial documentation is required.

Why This Program Matters

By reducing financial barriers, the South Hills Chorale strengthens its commitment to welcoming singers from all backgrounds and ensuring our ensemble reflects the diversity and richness of our community.

How to Apply

Interested singers can arrange an audition and learn more about the program during the audition process. Applications are available after a successful audition.
