

Spring 2024 Concert: **United we Sing**, SHIM success!

The results are in! Our community involvement project to benefit those in need was a huge success at our spring concert UNITED WE SING. We partnered with Christ Church to help the SHIM food bank assist those who are experiencing food insecurity.

We are grateful to everyone who generously donated to the food drive. We filled several shopping carts with food items at each performance and raised \$260 in cash donations. Amazing! Thank you!
